

RATTAN RAMBLER 1967

# DEDICATION

We, the annual staff, proudly dedicate this 1967 Rattan Rambler to you, the parents of the boys and girls of Rattan School. Whatever good, whatever achievement, or whatever glory has come to our school by the student body has been because you parents have been the real motivators. Whatever has been done for the good of your children has been done because your eyes have followed your children, reflecting with pride even the smallest measure of progress they have made. Also, you parents are due this dedication because of your personal sacrifice for your children far beyond the call of duty. Our school is not just buildings, equipment, or teachers. Our school is your sons and your daughters whom you love, care for, and encourage daily. Thus the school has become endowed with a personality symbolic of you.

We humbly but gratefully dedicate this 1967 Yearbook to you 1967 parents of Rattan School.

The Staff proudly presents the 1967 RATTAN RAMBLER....

H. Noel

# SUPERINTENDENT

## *SUPERINTENDENT'S MESSAGE*

To the Students and Faculty of Rattan School:

May I say "thanks" to a wonderful group of students and teachers who have helped make this a very successful school year both educationally and in our various activities.

Let's all work harder to improve our school-- its curriculum and its spirit that drives us to better enable ourselves for future life through education.

Remember the faith of your parents who have worked and strived so hard that you, their children, might have a better education and a better life.

You will find within these pages--friends you have met, activities you and your friends have been a part of, funny things, serious things and other fond memories that will be treasured by you in the years to come.

God bless each student and faculty member of our school.

Sincerely yours,

*Ted Messer*
